

How to Reset Your Password - ABWMS Database

1. First click on Forgot Password on the login page.

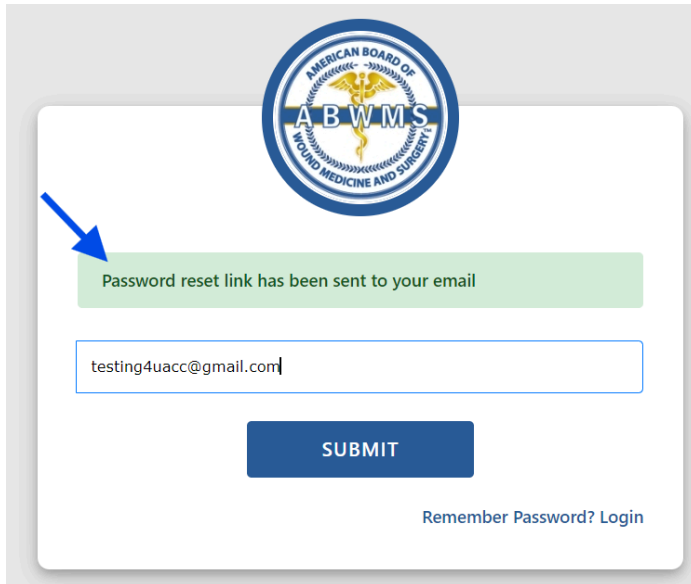

The screenshot shows the ABWMS login interface. At the top center is the ABWMS logo, which is a circular emblem with a caduceus in the center and the text 'AMERICAN BOARD OF WOUND MEDICINE AND SURGERY' around the perimeter. Below the logo are two input fields: 'Enter Email' and 'Enter Password'. The 'Enter Password' field has a small eye icon to its right. Below the input fields is a blue 'LOGIN' button. At the bottom left, there is a link 'Click Here to View Tutorial.' and at the bottom right, there is a link 'Forgot password?' which is pointed to by a blue arrow.

2. If the email is invalid, then an error message will appear.

The screenshot shows the ABWMS login interface after an invalid email address has been entered. The ABWMS logo is at the top center. Below it is a red error message box that says 'No user found with that email address', which is pointed to by a blue arrow. Below the error message is an input field containing the email address 'testadminfortest@gmail.com'. Below the input field is a blue 'SUBMIT' button. At the bottom right, there is a link 'Remember Password? Login'.

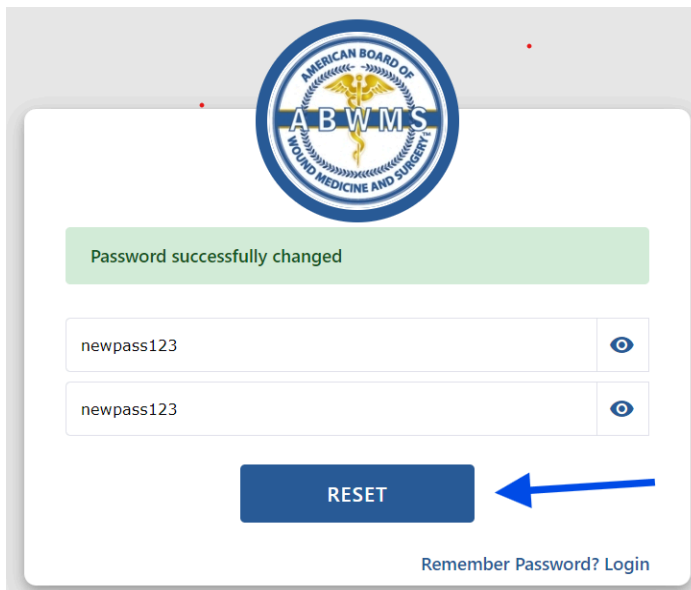

3. If the email is valid then a success message will appear and a password reset link will be sent to the registered email.

4. Open your email and click on the password reset link, the password reset page will open
Note: link is valid for 24 hours

5. Enter the new password and click on reset button, then the password will be changed

6. Go back to the login page and enter email and password and click on login button.
